PlayStation 3 Model. Turn off the PlayStation 3 system via the MAIN POWER switch while pressing and holding the eject button. Turn the PlayStation 3 system on again via the MAIN POWER switch while still holding the eject button. The PlayStation 3 system should now eject the disc. Touch the eject button on the PS3 system front for 10 seconds or longer to force the disc to eject. After removing and before reinserting a disc into the PS3, turn off the system, and then turn on the system again to resume use.
