3rd Annual Sprout Secret Santa Instructions!

1. Follow this account
2. DM me which section of the Secret Santa you would like to participate in, along with your email or mailing address. This year, there will be three separate sections. You will be assigned to a person in the same section; i.e. if you send a card, you will receive a card, not a gift or email.
 - a. The 1st section is email only. You will send your Secret Santa a video, e-card, or a nice holiday note via email.
 - b. The 2nd section is cards only. You are free to send a homemade card or a store bought card. Because you are not guaranteed to get a person who lives in your country, this is a good option if you are worried about cost. Cards only cost a few dollars to send overseas.
 - c. The third section is gifts. Again, no guarantee you will be given a person from your country, but a lot of us sent overseas last year and it didn't break the bank. There's no need to send an extravagant gift: some great gifts last year included Christmas candy, ornaments, mixed CDs, and fun Christmas socks!
3. You have until midnight on December 1st to sign up. You can sign up by DMing me on this twitter account, at @eponinealways, or sending me a message via the Sprout Facebook group. After that, I will be using a random generator to select names.
4. You have until Dec. 23rd to send your gift/card/email. This should ensure it arrives before the New Year. On January 1st, I will be posting the list of Secret Santas, and you will have to let your Secret Santa know why they don't have a gift yet.
5. Please make sure that if you sign up, you participate! We don't want anyone who signs up to give without receiving something in return.

The basic concept of the Secret Santa game is simple. All of the participants' names are placed into a hat, box, etc. and mixed up.
